WELCOME TO THE 47TH KEMPA ULZBURG-CUP

The **international youth handball tournament of the North** - one of the most traditional and largest youth handball tournaments in Northern Germany. The tournament is played in six modern sports halls in Henstedt-Ulzburg and the surrounding area. More than 150 teams with over 3,000 children and young people from Germany, Europe and other parts of the world will compete in the Kempa Ulzburg Cup over two weekends in May 2024.

High sporting standards, the excellent infrastructure in the municipality of Henstedt-Ulzburg and 46 years of experience as a host make the Kempa Ulzburg Cup an attractive event for any team that is not only ambitious in terms of sport, but also hungry for adventure and socialising.

The centre of the tournament is the Alster Gymnasium in the school centre: the „Cup Hotel“.

We look forward to welcoming you to the Kempa Ulzburg Cup.
